INDIAN JOURNAL OF DAIRY SCIENCE (IJDS)

IJDS is a scientific and technical Journal imparting scientific knowhow to act as a tool for disseminating research findings. The journal is published bimonthly covering the research articles, abstracts, reviews, short communications and other cognate matters pertaining to the industry.

Profile of the Reader: IJDS is circulated in the various parts of the country and to the nations abroad and read by most members of the dairy community. It is being widely referred to by the Chief Executives in the Cooperatives, Federations, private and multinational organizations as well as dairy organizations in abroad. Besides, the journals are subscribed by several libraries and educational institutions in India and abroad. The readership of the journals, subscribed by various institutions as well as the libraries, is growing by leaps and bounds!
